Facial Rejuvenation

Joy & Vitality, Inc., a Classical Five Element company, announces a new procedure for **FACIAL REJUVENATION** using a unique treatment that takes holistic medicine to a new level! This **breakthrough in anti-aging** combines, **gentle micro-currents, light and gemstones** to diminish lines and wrinkles, sculpt and tone the face and hands, and restore your skin to **radiant health**. Acupuncture **facial rejuvenation** works in harmony with the natural energy systems of your body **without the use of needles**. This unique, **totally relaxing holistic system** takes facial rejuvenation to the next height by providing whole body renewal with results that go to a deep cellular level. **See results after only one treatment!**
